

God Made It for You!: The Story of Creation

Charles Lehmann

From beginning to end, God has a perfect plan for His creation. Whether He was creating light, plants, animals, or man and woman, He did it knowing that His highest creation would need a Savior. God Made It for You! ties the creation and salvation stories together, helping children see how God prepared a perfect place for them so long ago, and when mankind disobeyed and sinned, He had a plan to offer His own Son as Savior a Savior to lead the perfect life and be the perfect sacrifice.

Perfect for classroom, homeschool, church library, or home.

From the Author

"In God's act of creation, He brought the universe into existence by the power of His word, then He gave it to us. My book seeks to bring into the child's imagination the awesomeness of God's creative act while at the same time making it personal for them.

"Of course, every book that teaches God's love for us must include the cross. God Made It for You! shows that same love God showed us in creation continued when He sent His Son to save us."
